INFORMATION CIRCULAR**SOLICITATION OF PROXIES BY MANAGEMENT**

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Minco Capital Corp. (the “Corporation”) for use at the annual meeting (the “Meeting”) of the shareholders of the Corporation (the “Shareholders”) to be held at Suite 2060 - 1055 West Georgia Street, Vancouver, British Columbia on Friday, June 20, 2025, at 10:00 a.m. (Vancouver time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally, electronically or by telephone by directors, officers, employees or consultants of the Corporation. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Corporation (“Common Shares”) pursuant to the requirements of National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“National Instrument 54-101”).

The Canadian securities regulators have adopted new rules under National Instrument 54-101, which permit the use of notice-and-access for proxy solicitation, instead of the traditional physical delivery of material. This new process provides the option to post meeting-related materials, including management information circulars, as well as annual financial statements and related management discussion and analysis, on a website in addition to SEDAR. Under notice-and-access, such meeting-related materials will be available for viewing for up to one (1) year from the posting date, and a paper copy of the material can be requested at any time during this period. The Corporation is not relying on the notice-and-access provisions of National Instrument 54-101 to send proxy-related materials to registered shareholders or beneficial owners of shares in connection with the Meeting.

The Corporation may reimburse shareholders’ nominees or intermediaries (including brokers or their agents holding shares on behalf of clients) for the cost incurred in obtaining from their principal’s authorization to execute forms of proxy. The Corporation will bear the cost of any such solicitation. Unless otherwise stated, the information contained in this Information Circular is given as of May 14, 2025.

**APPOINTMENT OF PROXYHOLDERS
AND COMPLETION AND REVOCATION OF PROXIES**

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named in the enclosed proxy (the “**Management Designees**”) have been selected by the directors of the Corporation.

A Shareholder has the right to designate a person (who need not be a Shareholder), other than the Management Designees to represent the Shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the proxy the name of the person to be designated, and by deleting from the proxy the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Corporation. Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as

proxyholder and attend the Meeting and provide instructions on how the Shareholder's shares are to be voted. The nominee should bring personal identification with them to the Meeting.

To be valid, the proxy must be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy). The proxy must then be delivered to the Corporation's registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775, and outside North America to (416) 263-9524, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting at the Chairman's discretion, but the Chairman is not obligated to accept late proxies.

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition, a proxy may be revoked by a registered Shareholder personally attending the Meeting and voting their shares. A Shareholder may also revoke their proxy in respect of any matter upon which a vote has not already been cast by depositing an instrument in writing, including a proxy bearing a later date executed by the registered Shareholder or by their authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the office of the Corporation's registrar and transfer agent at the foregoing address or the head office of the Corporation, at Suite 2060 – 1055 West Georgia Street, Vancouver, British Columbia, V6E 3R5, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting, or any adjournment thereof. **Only registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must arrange for their respective nominees to revoke the proxy on their behalf at least seven days before the Meeting.**

VOTING OF PROXIES

Voting at the Meeting will be by a show of hands, each registered Shareholder and each proxyholder (representing a registered or unregistered Shareholder) having one vote, unless a poll is required or requested, whereupon each such Shareholder and proxyholder is entitled to one vote for each Common Share held or represented, respectively. Each Shareholder may instruct their proxyholder how to vote their Common Shares by completing the blanks on the proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting when a poll is required or requested and where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of such specification as voting on the proxy, the Management Designees, if named as proxyholder, will vote in favour of the matters set out therein.**

The enclosed proxy confers discretionary authority upon the Management Designees or other person named as a proxy holder with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Corporation is unaware of any amendments to, variations of or other matters that may come before the Meeting. If other matters properly come before the Meeting, then the Management Designees intend to vote in a manner which, in their judgment, is in the Corporation's best interests.

A motion proposed at the Meeting must be approved by a majority of greater than 50% of the votes cast (an "ordinary resolution") unless the motion requires a "special resolution," in which case a majority of 66 2/3% of the votes cast will be required.

BENEFICIAL HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are “non-registered” or “beneficial” shareholders because the shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “**Beneficial Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Beneficial Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the “**Meeting Materials**”) directly, and to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders. These security holder materials are being set to registered and non-registered securities owners. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Intermediaries often use service companies to deliver the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted to the number of shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the proxy form, the beneficiary does not need to sign this form of proxy when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Corporation’s transfer agent as provided above or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. For the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the shares they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Designees named in the form and insert the Beneficial Holder’s name in the blank space provided. **In either case, Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of common shares, without nominal or par value, of which 43,430,881 common shares were issued and outstanding as of December 31, 2024.

The holders of common shares of record at the close of business on the record date, set by the directors of the Corporation to be May 14, 2025, are entitled to vote such common shares at the Meeting on the basis of one vote for each common share held.

To the knowledge of the directors and senior officers of the Corporation, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Corporation.

Those shareholders who desire may be represented by proxy at the meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

TO THE KNOWLEDGE OF THE CORPORATION'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Additional details regarding each of the matters to be acted upon at the meeting are set forth below.

I. Appointment of Auditors

Management proposes the appointment of Smythe LLP, Chartered Professional Accountants, as the Corporation's auditors for the ensuing year and that the directors be authorized to fix their remuneration.

In the absence of instructions to the contrary, the shares represented by proxy will be voted in favour of a resolution to appoint Smythe LLP, Chartered Professional Accountants, as Auditors of the Corporation for the ensuing year at a remuneration to be fixed by the Board of Directors, unless the Shareholder has specified in the Shareholder's proxy that the Shareholder's Common Shares are to be withheld from voting on the appointment of auditors.

II. Election of Directors

The board of directors of the Corporation (the "**Board**" or the "**Board of Directors**") currently consists of three (3) directors, all of whom are elected annually. The term of office for each of the present directors of the Corporation expires at the Meeting. All of the current directors of the Corporation will be standing for re-election. It is proposed that the number of directors for the ensuing year be fixed at three (3), subject to such increases as may be permitted by the Articles of the Corporation. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting at three (3).

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General Meeting of the Corporation or until his successor is duly elected or appointed pursuant to the Articles of the Corporation unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) or the Corporation's Articles.

It is the intention of the management designees, if named as a proxy, to vote for the election of the said persons to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors. Accordingly, management does not contemplate that any of the nominees cannot serve as a director.

The following information relating to the nominees for election to the Board of Directors is based on information received by the Corporation from said nominees:

EXECUTIVE COMPENSATION **(For the financial year ended December 31, 2024)**

For purposes of this Information Circular, “named executive officer” of the Corporation means an individual who, at any time during the year, was:

- (a) the Corporation’s chief executive officer (“**CEO**”);
- (b) the Corporation’s chief financial officer (“**CFO**”);
- (c) each of the Corporation’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation nor acting in a similar capacity, at the end of the most recently completed financial year;

(each a “**Named Executive Officer**” or “**NEO**”).

Based on the foregoing definition, during the last completed financial year of the Corporation, there were two (2) Named Executive Officers, namely, its CEO, Ken Cai, and its CFO, Renee Lin.

Compensation Discussion and Analysis

The objective of the Corporation's compensation program is to compensate its executive officers for their services to the Corporation at a level that is both in line with the Corporation's financial resources and competitive with companies of a similar size and stage of development. The Compensation Committee does not benchmark its executive compensation program but, from time to time, does review compensation practices of companies of similar size and stage of development to ensure that the compensation paid is competitive with similarly sized issuers within the Corporation's industry and geographic location. Success depends greatly on the Corporation's ability to attract, retain and motivate high-performing employees within the organization. Executive officers are rewarded based on the skill and level of responsibility involved in their position, the individual's experience and qualifications, considering the Corporation's resources and current industry practices, and overall contribution to the success of the Corporation. To date, given the Corporation's stage of development, the Board has not considered it appropriate to implement formal performance goals or milestones to assess executive performance. The Corporation relies solely on the Compensation Committee’s review and recommendation for determining executive compensation.

The Compensation Committee has implemented three forms of compensation for the Corporation's executive officers.

1. *Base Salary/Consulting Fees*

Executive officers are paid a base salary or consulting fee to reward individual performance and the discharge of duties. This compensation component is determined with reference to industry norms, experience, past performance and level of responsibility. The Corporation shares common management with Minco Silver Corporation (collectively with the Corporation as the "**Minco Group**"). In the past, a base compensation amount payable to each executive officer based on their service to the entire Minco Group was set annually through a negotiated process among the boards of directors of each Minco Group company. Through this negotiation process, the boards arrive at a global salary amount for each executive officer to be shared among each entity in the Minco Group. An executive officer's salary allocated to a particular entity at the end of a fiscal period was determined based on the percentage of the executive officer's working time spent on projects relating to that company.

Annually, the Board negotiates directly with the NEOs to set a base salary or consulting fee for the upcoming fiscal year. Base compensation for the most recently completed financial year should not be considered an indicator of expected base compensation levels in future periods. Compensation levels may fluctuate depending on the outcome of the Board's salary negotiations with the NEOs. All compensation is subject to and dependent on the Corporation's financial resources and forecasts.

2. *Annual Bonuses*

Annual bonuses are variable components of compensation and are short-term incentives. In exceptional circumstances, the Compensation Committee may award annual cash bonuses that are designed to reward executives for corporate, business or individual achievements. The Compensation Committee does not have pre-existing performance criteria or objectives for granting cash bonuses. The Compensation Committee assesses the Corporation's achievement of its business strategy and the individual performance of each executive officer annually and determines the amount of the award, if any, at its discretion.

3. *Option Grants*

The Compensation Committee may award executive officers long-term incentives in the form of options to purchase common shares of the Corporation ("**Options**") pursuant to the Corporation's incentive stock option plan (the "**Option Plan**"). The Corporation believes that compensation to executive officers in the form of Options better aligns the interests of executive officers and shareholders and encourages long-term value creation for shareholders. In addition, the Compensation Committee believes that Options motivate a goal-driven management team and build long-term employee loyalty and retention. Previous grants of Options are taken into account when considering new grants. However, the Compensation Committee does not need to have pre-existing performance criteria or objectives for the grant of Options. The Compensation Committee has discretion when making an award of Options to impose a vesting schedule for such award as it deems appropriate.

As the Corporation pays each compensation element for a different purpose it makes decisions about each component independent of the others. Notwithstanding this fact, the Compensation Committee is always cognizant of the total size of each executive officer's compensation package and works to ensure that on the whole, it is appropriate given the financial resources, size and stage of development of the Corporation.

The Corporation periodically reviews its compensation practices to ensure they do not promote excessive risk-taking or are likely to have a material adverse effect on the Corporation. There is currently no prohibition on an executive officer or director of the Corporation from purchasing financial instruments to offset a decrease in the market value of equity securities held directly or indirectly by that executive officer. To the Corporation's knowledge, no executive officer or director of the Corporation has entered into or purchased such a financial instrument.

Compensation Governance

The Corporation's Compensation Committee comprises Malcolm Clay and Michael Doggett, independent directors within the meaning set out in National Instrument 52-110 – *Audit Committees* ("NI 52-110"). All three of the members of the Compensation Committee are experienced participants in the capital markets who have had experience sitting on the corporate boards in addition to that of the Corporation. The Compensation Committee recommends stock option grants and bonus awards to the Board and negotiates the NEOs' annual salaries or consulting fees.

AUDIT COMMITTEE

The full text of the Audit Committee's charter is attached hereto as Schedule "A".

CORPORATE GOVERNANCE

Board of Directors

The Board manages and supervises the corporation's business and affairs. Therefore, each year, the Board must review each director's relationship with the Corporation to satisfy that the relevant independence criteria have been met.

Other than interests arising from shareholdings in the Corporation, all of the corporation's directors, except Dr. Cai, are "independent" within the meaning set out in NI 52-110 in that they are free from any interest that could reasonably interfere with their exercise of independent judgment as directors of the Corporation. Dr. Cai is an executive officer of the Corporation and, therefore, not independent.

In order to facilitate its exercise of independent judgment in carrying out its responsibilities, the Board may establish informal committees on an as-needed basis consisting solely of independent directors to consider certain matters to be considered by the Board. The Board, or any committee, may also seek advice from outside advisors. The Board also follows a practice whereby any director who has an interest in a matter that the Board is considering must abstain from voting on the matter and exit the Board meeting while the Board is considering such matter.

Following is a breakdown of the directors of the Corporation that hold directorships in other reporting issuers:

Name of Director	Name of Other Reporting Issuer
Ken Z. Cai	Minco Silver Corporation HempNova Lifetech Corporation
Malcolm Clay	GreenPower Motor Industries
Michael Doggett	Element 29 Resources Inc.

The independent directors hold regularly scheduled meetings at which non-independent directors and members of management are absent. Although Dr. Cai, the corporation's Chief Executive Officer, generally chairs board meetings, the Corporation does not have a Chairman.

The Board believes that this structure best reflects the entrepreneurial leadership of the Corporation. The Board is satisfied that the autonomy of the Board and its ability to function independently of management are protected through measures such as the Audit Committee, the Compensation Committee and the Nominating Committee, composed of all independent directors. In addition, the independent members of the Board meet separately from the non-independent members, and the Board encourages its independent members to seek the advice of financial, legal or other consultants when necessary.

The Board committees assist in the effective functioning of the Board. All Board committees are currently comprised of all independent directors, ensuring that independent directors' views are effectively represented. The Board has three committees: the Compensation Committee, the Nominating Committee and the Audit Committee. In addition, special committees may be formed from time to time as required to review particular matters or transactions.

The Compensation Committee is responsible for developing, implementing and monitoring the Corporation's compensation policy for executive officers and members of the Board.

The following are the members of the Compensation Committee:

Malcolm Clay

Michael Doggett

The Board appointed the Nominating Committee to propose new nominees as needed.

The following are the members of the Nominating Committee:

Michael Doggett (Chair)

Malcolm Clay

The Board appoints the Audit Committee to assist in monitoring (i) the integrity of the financial statements of the Corporation, (ii) the compliance by the Corporation with the legal and regulatory requirements, and (iii) the independent performance of the Corporation's external auditors, which shall report directly to the Audit Committee.

The Corporation's entire Board members are the members of the Audit Committee as follows:

Malcolm Clay (Chair)

Ken Cai

Michael Doggett

Audit Committee Oversight

At no time since the commencement of the Corporation's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board of Directors.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on the exemption in Section 2.4 of NI 52-110 (De Minimis Non-Audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of National Instrument 52-110.

Pre-Approval Policies and Procedures

The Audit Committee is authorized by the Board of Directors to review the performance of the Corporation's external auditors and approve the advance provision of services other than auditing and to consider the independence of the external auditors, including a review of the range of services provided in the context of all consulting services bought by the Corporation. In addition, the Audit Committee is authorized to approve in writing any non-audit services or additional work which the Chairman of the Audit Committee deems necessary. The Chairman will notify the other members of the Audit Committee of such non-audit or additional work and the reasons for such non-audit work for the Committee's consideration and, if thought fit, approval in writing.

External Auditor Service Fees

The fees billed by the Corporation's external auditors in each of the last two financial years for audit and non-audit-related services provided to the Corporation or its subsidiaries (if any) are as follows:

Financial Year Ending December 31	Audit Fees	Audit-Related Fees	Tax Fees	All other Fees
2024	28,000	-	-	-
2023	24,000	-	-	-

Exemption

As a TSX Venture Exchange listed issuer, the Corporation is exempt from the requirements of Part 3 *Composition of the Audit Committee* and Part 5 *Reporting Obligations* of NI 52-110.

Orientation and Continuing Education

The Corporation needs a formal process of orientation and education for new board members. The current directors are experienced in boardroom procedure and corporate governance and generally understand the business well. As necessary, new board members are provided with information about the Corporation, its role, its committees, its directors, and its industry. In addition, the Corporation provides continuing education for its directors as needed.

Ethical Business Conduct

The Corporation adopted a Code of Ethics (the "**Code**"), which is available on its website at www.mincogold.com. The Code outlines the principles that should guide the behaviour of the Corporation's directors, officers, and employees. The Board is responsible for monitoring compliance with the Code.

The Corporation has also adopted a Whistleblower Policy incorporated into its Communications Policy. A copy of the Communications Policy may be obtained by written request to the Corporation's offices at #2060-1055 West Georgia Street, Vancouver, BC V6E 3R5, Attn: Corporate Secretary.

To ensure directors of the Corporation exercise independent judgment in considering transactions, agreements or decisions in respect of which a director or executive officer has declared a material, personal interest (in accordance with relevant corporate law requirements), the Board follows a practice whereby any such Board member must be absent during any Board discussion pertaining thereto and not cast a vote on any such matter. Significant contracts deemed a conflict are also reviewed and approved by the Corporation's Audit Committee.

The Board advocates a high standard of integrity for all its members and the Corporation. To this end, all directors and officers must read and understand the Corporation's Code of Ethics and Communications Policy. The Board relies upon selecting directors, officers, employees and consultants whom it considers to be meeting the highest ethical standards to promote a culture of ethical business conduct. In addition, the Board must comply with conflict-of-interest provisions in Canadian corporate law and relevant securities regulatory instruments to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Nominating Committee is composed entirely of independent directors. When vacancies arise, it analyzes the needs of the Board and identifies and proposes new nominees who have the necessary competencies and characteristics to meet such requirements. Members of the Nominating Committee introduce new candidates to the board. To foster an objective nomination process, the independent members of the Board are encouraged to recommend nominees for the Board.

Compensation

The Compensation Committee is appointed by the Board to, among other things, discharge the Board's responsibilities relating to the compensation of the Corporation's directors and officers. The Compensation Committee periodically reviews the adequacy and form of compensation to ensure it realistically reflects the responsibilities and risks involved in being an effective director or officer and allows the Corporation to attract qualified candidates. Such review includes an examination of publicly available data as well as independent compensation surveys.

The Compensation Committee annually reviews and approves corporate goals and performance milestones relevant to the compensation of the Chief Executive Officer, Chief Financial Officer and other executive officers (collectively, the "**Senior Officers**"). It evaluates the Senior Officer's performance in light of those goals and objectives and sets the Chief Executive Officer's compensation level based on this evaluation. The Compensation Committee meets without the presence of other executive officers when approving the Chief Executive Officer's compensation.

The Compensation Committee is comprised of independent directors. To ensure an objective process for determining compensation, the Compensation Committee reviews independent materials such as pay survey data and industry reports. The Compensation Committee benchmarks against other companies using peer group studies compiled for it. In addition, the Compensation Committee may consult with outside independent compensation advisory firms if it deems it advisable.

Assessments

The Board is responsible for keeping management informed of its evaluation of the performance of the Corporation and its senior officers in achieving and carrying out the Board's established goals and policies and for advising management of any remedial action or changes that it may consider necessary. Additionally, directors are expected to devote time and attention to the Corporation's business and affairs as necessary to discharge their duties as directors effectively.

The Board does not have a formal process to monitor the effectiveness of the Board, its committees and individual members but rather relies on an informal review process. To gauge performance, the Board considers the following:

- (a) input from directors, where appropriate;
- (b) attendance of directors at meetings of the Board and any committee;
- (c) the charter of each committee, and
- (d) the competencies and skills each director are expected to bring to the Board and each committee.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Related party transactions involving general related parties which are not material to the Corporation require review and approval by the Committee. Related party transactions that are material to the Corporation or that involve 10% shareholders require approval by the Board, following review thereof by the Committee and the Committee providing its recommendation thereon to the Board.

Submission Systems and Treatment of Complaints

The Committee is responsible for establishing procedures for:

- (b) the confidential, anonymous submission by employees of the Corporation of concerns regarding questionable accounting or auditing matters.

The Committee is responsible for reviewing complaints and concerns that are brought to the attention of the Chair of the Committee and for ensuring that any such complaints and concerns are appropriately addressed. The Committee shall report quarterly to the Board on the status of any complaints or concerns received by the Committee.

PROCEDURE FOR REPORTING OF FRAUD OR CONTROL WEAKNESSES

Each employee is expected to report situations in which he or she suspects fraud or is aware of any internal control weaknesses. An employee should treat suspected fraud seriously, and ensure that the situation is brought to the attention of the Committee. In addition, weaknesses in the internal control procedures of the Corporation that may result in errors or omissions in financial information, or that create a risk of potential fraud or loss of the Corporation's assets, should be brought to the attention of both management and the Committee.

To facilitate the reporting of suspected fraud, it is the policy of the Corporation that the employee (the "whistleblower") has anonymous and direct access to the Chair of the Committee. The current Chair, Mr. Malcolm Clay, can be reached at 604-788-0693. Should a new Chair be appointed prior to the updating of this document, the current Chair will ensure that the whistleblower is able to reach the new Chair in a timely manner. In the event that the Chair of the Committee cannot be reached, the whistleblower should contact the Chair of the Board. Access to the names and places of employment of the Corporation's Directors can be found on the Corporation's website.

In addition, it is the policy of the Corporation that employees concerned about reporting internal control weaknesses directly to management are able to report such weaknesses to the Committee anonymously. In this case, the employee should follow the same procedure detailed above for reporting suspected fraud.

Hiring Policies

The Committee is responsible for reviewing and approving the Corporation's hiring policies regarding partners, employees, and former partners and employees of the present and former auditor of the Corporation.
